PURPOSE: Interim Ministry deals with support and “accompaniment “ of congregations when their pastor departs. During the period of vacancy, the congregation should be supported to understand that the previous ministry period has come to an end. The period of vacancy is also a time to rediscover the congregations identity and to prepare for a new period in the congregations history. In this course pastors are trained to act as “bridging ministers” who will be able to support congregations during the interim period .
